Sent Deb the letter for 5/19 – she usually signs late in day so people need to request a day prior

Subject: Request for building access

Hello –

Per the COOP SOP regarding Freedom of Movement, I am seeking access to the building to retrieve files from my office related to the Dewey Burdock UIC permits and aquifer exemption regarding NEPA comments. I need to access this material in my office due to deadlines to issue the Agency's decision on this matter. The total time for this, including travel time, should be about 1-2 hours. I am accessing only my office. Neither I nor anyone in my household

is ill or in quarantine status. Because I need the materials in order to respond to the Water Division's request from ORC, access on Monday, May 18th or Tuesday, May 19th, would be ideal if possible.

Thanks,
Erin
